

## **Intern – Data Annotation (Remote)**

### **What we do:**

LIRNEasia ([www.lirneasia.net](http://www.lirneasia.net)) is a think tank based in Sri Lanka and active across emerging Asia-Pacific. We conduct in-depth, policy-relevant research on infrastructure industries including the digital sector. Our work often extends to other areas such as labour, education, energy, disability, and social protection. We collect robust data, document regional good practices, and disseminate independent, actionable knowledge, to policy makers, regulators, private sector, and media, with the view of benefiting the poorest citizens in Asia.

### **Role:**

- This will be fully remote paid internship.
- The interns are expected to work forty hours per week for a period of 1 month.
- The internship will involve reading and evaluating GenAI outputs based on clearly defined guidelines, as well as processing datasets.

### **Requirements:**

- Fluent in reading and writing both English and Sinhala.
- Strong attention to detail, good written communication skills and the ability to methodically document work.
- Comfortable using Microsoft Office
